3. Going from the oldest book to newest, what is the total time frame the Book of Enoch as a whole was written?

4. According to the Masoretic Hebrew text of the Bible, Enoch was born about 622 years after Adam was created, which means Enoch was born about 3382 B.C. The Hebrew text says that Enoch was on the earth for 365 Years (Until 3017 B.C.) Using your information from the third question (#3) how many years is it from 3017 B.C. to when the oldest book in the Book of Enoch was written?
